

ASCM Public Relations Office in Operation!

August 2009

In August 2009, Dr. Scott Rains opened the new Public Relations Office to operate as the Media, Marketing, and Network relations arm of ASCM, operating under the President's Office. Appointed to head this office is Baby Angelita de Guzman, Pastor of Timeless Message Media Ministries, Church of God Eastern Ontario, Canada.

Prior to this appointment, Baby Angelita was doing Housechurch Ministries in the Greater Toronto Area and a Radio Ministry at CIRV 88.9 FM Toronto. She is bringing with her over 30 years experience in Business Management, as well as television, radio, and stage production and promotion. She was an Adjunct faculty of Master's College & Seminary in Toronto. She is further pursuing a Doctor of Ministry Program at ASCM.

Committed to serve God in this new task as Public Relations Officer, her role is to bring into motion the story of ASCM as it happens over the years. The 36 years of ASCM as the regional school for COG Asia/Pacific is a legacy in the making – and this building process will be shared with the public. ASCM's website will be the place of information, of learning, of communicating and connecting, and a place to fulfill the institution's purpose.

In 2010, Dr. Scott Rains will develop ASCM's revisioning process of bringing Christ to the world...by equipping more ministers and workers with a full capacity to understand the times so they can reach out further. ASCM will be more visible than ever...we will be with people for people!
